### SEND US EMAIL ADDRESSES FOR YOUR FAMILY MEMBERS!

The Violette Family Association is preparing to send out our next newsletter. We prefer to send it by email where possible to save on costs, and we want to reach out to more Violettes. Won't you help us today by adding to our email list those people you think should receive our newsletter? We would like to get email addresses for:

- Husbands, wives
- Children, grandchildren
- Aunts, uncles, cousins
- Friends

It doesn't make any difference if they are Violette Family Association members or not! And, more than one email address per family is OK. [Click here](#) to send us the info by email. There will be some personal benefits to anyone with an email address on file with us!

We promise to not share these addresses with anyone else!
