

## President's Message - May 2005

Well, here we are just a little more than two months away from the Violette Family Reunion. I hope you all got the word that the reunion date had been changed to July 22, 23 & 24<sup>th</sup>. The staff at the Town & Country Motor Inn is anxiously awaiting our arrival and they will do everything they can to make our stay there as comfortable as possible. Gorham is a picturesque little town nestled in the White Mountains of New Hampshire on the northern edge of the White Mountain National Forest. Within a few miles of this location are a number of attractions which are sure to interest you. Some of these are: Santa's Village, Six Gun City, Heritage New Hampshire, Storyland, Conway Scenic Railroad, Mount Washington Auto Road, Wildcat Gondolas, Androscoggin Valley Country Club, Outlet Stores and more. We are also arranging for a tour of the paper mill in Berlin for those of you who would like to see how paper is made.

What makes the reunion successful, however, are the people who attend. That means you. After all, we are all descendants of Francois Violette so we are all cousins from near and far. Some of you will be coming for the first time while others have been to all the reunions that have taken place since our very first one in 1978. It's always nice to see everyone. We have learned a few more things about our ancestors since the last time we met and we will share some of these things with you.

All the activities at the Town & Country will take place in the banquet room which has been reserved for us for the week end. It is wheel chair accessible. We will have an opportunity to get together starting Friday afternoon with registration. We'll have tables set up for displays so if you wish to bring pictures or a picture album of your family this would give you an opportunity to share this with others. We will also be selling articles of clothing such as hats and shirts. If you can, bring an article to be raffled off to help us defray expenses.

We are planning a dinner Friday evening followed a little while later with entertainment. This will be a presentation by a man who spent most of his career working on top of Mount

Washington and he will share his experiences with us using the many pictures he took over the years. Some of you may have seen Marty Ehngstrom over the years on Channel 8 TV and you'll certainly recognize his 'downeast' twang so this will be your opportunity to see him in person.

On Saturday we will have our hospitality room open for those of you who would like to get together. Others may want to take advantage of the Town & Country facilities which has an inside swimming pool, Jacuzzi, sauna, steam room, health club, game room, etc. There will be some free time for those of you who would like to enjoy a game of golf or take advantage of some of the attractions mentioned above. We are planning to have a business meeting in late afternoon and of course we will have our banquet on Saturday evening which will be followed by a dance. The banquet will be a sit down dinner so you have to indicate your choice of entree on the registration form. Something new we are planning for this year, if there is enough interest, is to provide a baby sitting service on Saturday night.

Sunday morning we are planning to have a mass on the premises and after the mass there will be a buffet breakfast. Then it will be time to head for home or for those of you wishing to stay longer you will be able to again take advantage of the local attractions that this part of New Hampshire has to offer.

So now it's your turn. We have provided a registration sheet and a clothing order form elsewhere in this newsletter that you need to fill out and return. PLEASE fill it out and return it as early as you can but certainly by June 20th. **Help us and yourselves by returning the registration sheet and order form as early as you can.** Please don't plan on registering on the day you arrive. ***Call the Town & Country at 800-325-4386 or 603-466-3315 to reserve your room. Once they're gone, that's it!***

We're going to have a great reunion and I hope to see you all there.

Sincerely,

John

## **Hammond River Lots #14 and #15**

Ever since Rita published "The Descendants of Francois Violet", I have been interested in Lot # 14 and #15 in the Kennebecassis region that she describes in her book. The lots in question are in fact on the Hammond River sometimes referred to as the Little Kennebecasis. The land is now known as NB Property Identifier # 196626 in Hampton Parish.

Prior to the reunion in 2002, I had made a trip to the region and located the lot described in Rita's book. I took some photos and spoke to the current owners. I did not have the time to research the history of the property myself but a friend, Florine Theriault, who lives in Fredericton undertook to do the research for me, for which I will be eternally grateful.

After persistently following many leads to dead ends, she finally contacted someone who gave her the answers we were looking for.

I believe this to be the facts concerning lot 14 and 15 mentioned in Rita's book.

Lot #14, consisting of 210 acres was granted to Francois by the "Widow Sahah Hunt and Others" land grant of 12 April 1787.

On 15 January 1790, Francois signed a contract to buy Lot # 15 from Henry Darling for 100 pounds. However, records show that Lot # 15 was never deeded to Francois. He must have had a change of heart and decided to move his family to the Madawaska region.

On 4 February 1790, Francois sold Lot # 14 to John Ford for 100 pounds.

On 27 April, 1791 Henry Darling then sold the north half of Lot # 15 to John Ford, and the south half to Andrew Sherwood for 30 pounds, 10 shillings.

In 1982, the parcel was subdivided for the use of Mr. Joseph Steele and the rest belongs to Meadow Brook Farms Ltd. whose directors are members of the Steele family. A portion was expropriated in 1990 for the construction of Highway #1 between St. John and Moncton, NB.

### **BABY SITTING**

We are trying to provide a baby sitting service on Saturday night of the reunion if there is enough interest. Saturday night they would have a pizza party and the children would be entertained. We are planning on getting a few experienced high school girls to help us with this task. (They also work at The Town & Country). We will only do this if we have enough children to make it worthwhile. Please fill out the following form if you think you could utilize this service. There will a reasonable fee charged for this service.
